

Services

Get step-by-step guidance and detailed information from the Recruitment & Outreach Office.

Our personalized services are designed to support first-time college students, transfer students, high school students, ISD counselors, adult learners, and members of our community in reaching their educational goals.

Services we offer include:

- Assistance with the admissions application
- Guidance through the enrollment checklist
- General information about Lee College and its programs
- Campus tours (available for individuals or groups)
- Classroom presentations on Lee College offerings
- Participation in college days/nights at various locations
- Attendance at K–12 events and activities
- Representation at community fairs and events
